Physics

Psychology

Pharmacy

Important:

Admission requirements and application procedure depend on

- the applicant's nationality
- the chosen study programme (Bachelor, State Examination, Master, Higher Semester, Doctoral Studies)
- previous education (university entrance entitlement, number of semesters spent at a university, university degree)
- the applicant's personal situation (e. g. residence status, existence of documents confirming previous education)

Each application will be assessed individually!

For all study programmes:

„Hochschulzugangsberechtigung“
(university entrance entitlement)

= certificate that entitles you to study at a university and is essentially equivalent to the German „Abitur“

Information: <http://anabin.kmk.org/>

German language proficiency

You will need **one** of the following certificates:

1. **DSH-2 or DSH-3 – “Deutsche Sprachprüfung für den Hochschulzugang”**
(German language university entrance exam for foreign students)
2. **“Test DaF” with grade 5 or 4 in all individual parts**
(Test of German as a Foreign Language)
3. **“Kleines” or “Großes Deutsches Sprachdiplom” from a Goethe Institute**
(basic or advanced language diploma)
4. **“Goethe Zertifikat C2”**
(Goethe Certificate C2)
5. **“Zentrale Oberstufenprüfung” from a Goethe Institute**
(central, upper school level language test)
6. **“Deutsches Sprachdiplom”, level 2 as defined by the Conference of German Cultural Ministers**
(German language diploma)
7. **“Zertifikat telc Deutsch C1 Hochschule”**
(Certificate telc German C1)
